

GENU LABS

NEW AGE DIAGNOSTICS

BRAND MISSION

“ To deliver scientifically precise, timely, and accurate diagnostic reports, supported by expert consultation, so every patient can take confident steps toward better health. ”

OUR SIX PROMISES

01 Uncompromised Accuracy

Scientific collection & transit protocols, advanced equipment, results verified by highly qualified experts.

02 On-Time, Every Time

Phlebotomists arrive punctually. Reports are delivered the same day without a long waiting period.

03 Smart Reports

Findings explained in plain language with a personalised "To-Do" action plan for every patient.

04 Free Doctor Consultation

Expert doctors available by phone at booking, during collection, and post-report for complete clarity.

05 SastaSundar App

Easy online booking, simple payments, and digital reports accessible anytime on any device.

06 Maximum Savings

Competitively low prices designed for maximum patient savings, which make quality diagnostics affordable.
